(0) changing things in SNS

(1) band-passes → takes pictures in colours

alerts good

Filk (MZO) instead of the alert my data

(2) Thermonuclear explosion

drives Ni^{56}

(3) $\mu \neq$ standardisation

(3') What questions you want to answer?

(4) simplify figure.

power law model (early) SN Ics

use hands to explain

- colour evolution not bullet in explan-

(5) [less time
SFR may be taken out

(6) SALT3 vs SALT? just use SALT

Honours project aim.

B band → obtained from SALT.
